

Fayette Central Elementary

Points of Pride 2015-2016

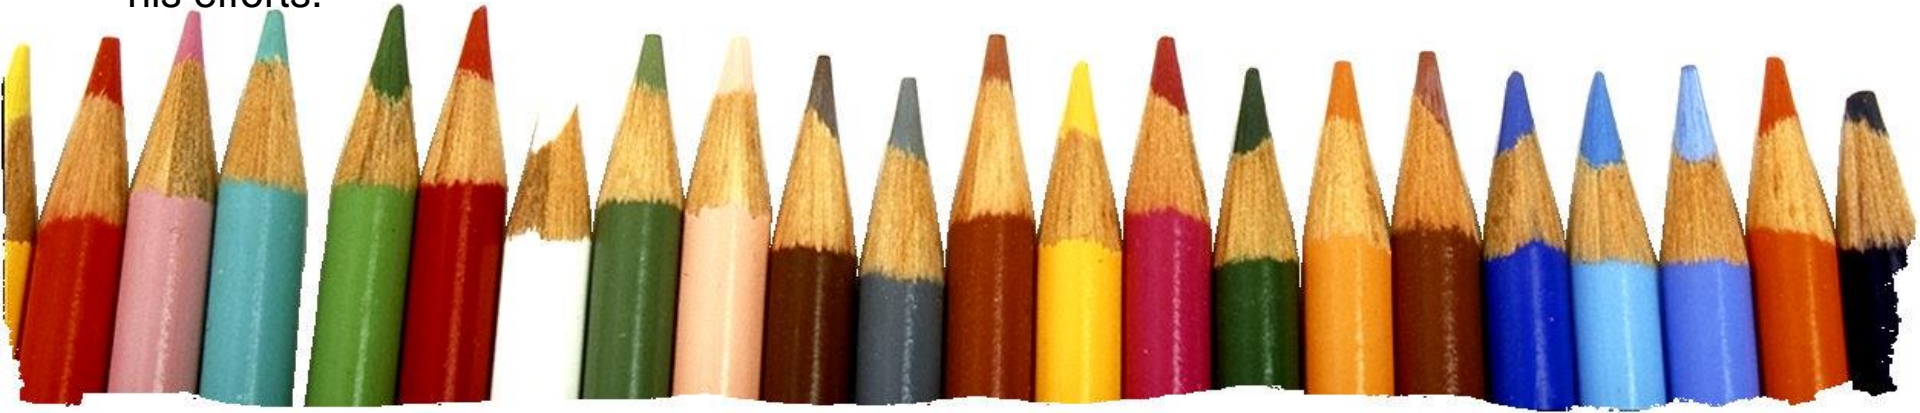

- Congratulations to Fayette Central's Mrs. Silcott for securing a grant from Family Services and Prevention Programs of Shelbyville ("Why Try" Program) and a Target Field Trip Grant. She and social worker, Ashley Baker, also received grants from DOT Foods and United Way for an attendance campaign to benefit all students in FCSC.
- Congratulations to Alivea Lynn, a sixth grader in Mrs. Haffner's class, for receiving a third place in the East Central Indiana Regional Science Fair held at Ball State. This is the third year Alivea has gone to the fair, and she has placed each year.
- Fayette Central Elementary was chosen as an "A" school by the Indiana Department of Education.

Fayette Central Elementary

Points of Pride 2015-2016

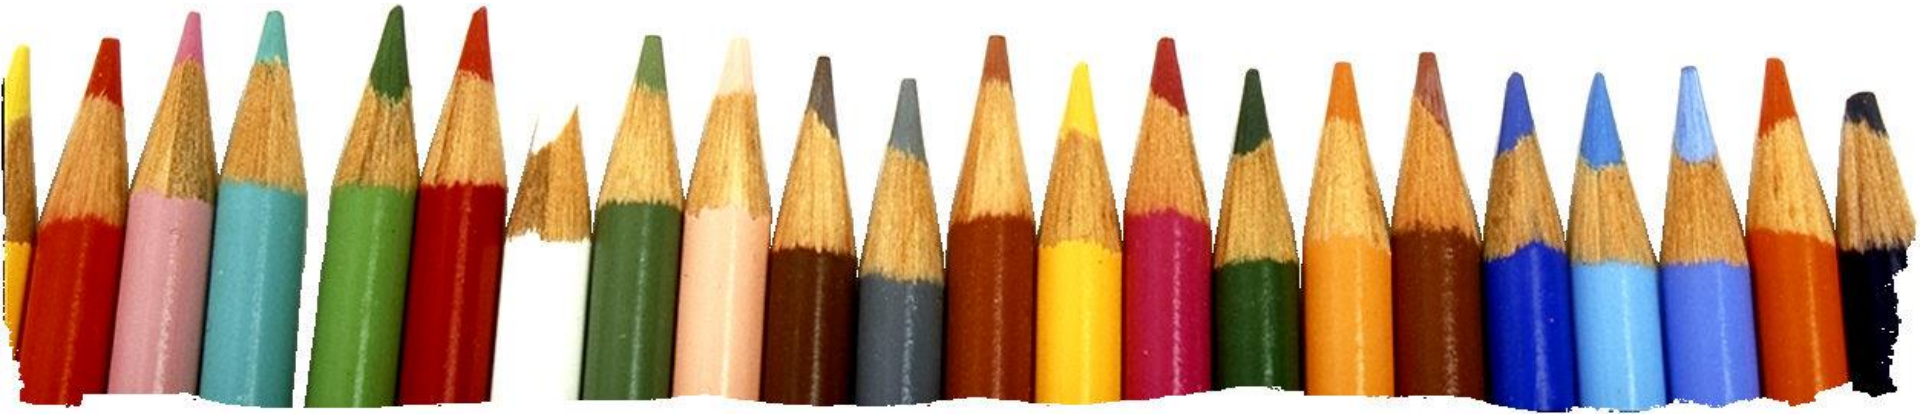

- Thanks in part to a generous grant from the Fayette County Foundation each elementary school will be holding a Kindergarten Jump Start Program in their building for the second year. It runs from July 18 to July 29. All incoming kindergarten students are eligible to participate. Licensed teachers will provide instruction on pre-kindergarten academics, as well as procedures and rules.
- A “Spring Olympics” was held in conjunction with a P.T.O. meeting. Students were able to participate in several math/science activities, and two students received a family pack tickets to the zoo.
- A Career Fair was held at Maplewood for the students in 5th grade from Maplewood and Fayette Central. The counselors/social workers invited many community members to share information about their careers, and students had to answer a set of questions about these careers. Jason Eldridge and family received four tickets to an Indianapolis Indians Game for his efforts.

Fayette Central Elementary

Points of Pride 2015-2016

- Have you heard about “blended learning”? This is the opportunity that students have to learn by using a station rotation of iPad, laptops or computers. Students in grades K-6 had the opportunity to use the Lexia Reading program and Dreambox Math on the iPad throughout the year.
- Students who had near perfect attendance or behavior the first semester and/or participated in Honor Roll, RICHER Citizens, Spell Bowl Team, Cross Country Meet participants, Red Ribbon Week Winners, and Science Showcase Winners all participated in the “Winners’ Circle Celebration”. This was held at the Miller Building where students rotated through stations that included rock climbing and corn hole. During the second semester, students who also did well with their academics, attendance, and achievement had the opportunity to participate in beach day. This is an outside event with several fun activities.

Fayette Central Elementary

Points of Pride 2015-2016

- Fayette Central's M.A.T.H. team placed sixth in the state of Indiana and second in their area competition at Rushville. Members of the team are: Cody Brown, Jason Reece, Kendra Boyd, Andrew Isaacs, Jocelyn McClung, Payton Orschell, Chris Summers, Abby Badore, Katie Fisher, Connor Gulley, Alivea Lynn, Kaylor McKinney, Orin O'Brian, Keaton Oakley, Erika Smith, Clair Stinger, Cameron Sullivan and Andrew Walker. Sponsors are Mrs. Haffner and Miss Long.
- The Attendance Rate for 2014-2015 was 96%
- 96% of families feel welcome at Fayette Central, and 98% of families feel informed about their children's progress (Fall 2015 Survey)
- On the spring 2015 portion of the ISTEP+, students exceeded the state passing rate of 63.4% in math. The goal is to have the passing rate in math increase by 3% for the next year.
